

Recycle your recycle bins and get free admission to The Auckland Flower Show!!

There is a new item in your garden that is a perfect container for a small portable container garden, already complete with drainage holes and easy carry handles - the small Auckland City Council recycle crates which have now been replaced by bigger wheelie bins!

You can make a fabulous mini container garden; the best of which will be displayed at the Auckland Flower show in the "Recycle your recycle bin Garden Competition." - and for all entries accepted for display you will receive a full refund on the cost of your ticket to the Auckland Flower Show.

So recycle your small recycle crate as a mini container garden!

You could plant flowers, edibles or herbs - just design and plant your Recycle Crate Garden to be looking it's very best for late November.

Just register now, then post us your photos to arrive by 10th November. Creators of accepted entries will be notified 14th November.

All accepted entries will be judged by the prestigious Auckland Flower Show judging panel who will award a Gold, Silver & Bronze Award for the best 3 entries. These winners will also receive a free ticket each for the Exhibitor's Site Awards Party, 6.30pm Thursday 20th November.

It will be your responsibility to deliver Recycle Bin Gardens to Alexandra Park on Sunday 16th or Monday 17th November (and receive either a refund of your ticket or another complimentary ticket) and collect from 6pm Sunday 23rd or on Monday 24th November. We will water and care for your garden during the show.
